

happy new year!

print-it-yourself

- ☞ use whichever printer you have access to.
- ☞ preferably use a somewhat thick paper around 200 g/m<sup>2</sup>.  
but standard copy paper also works.
- ☞ print on A4 or US Letter at 100% scale. no scaling.
- ☞ cut along the trim marks using a metal ruler and a utility/craft knife.
- ☞ artwork size 150mm x 120mm, black and white.
